- characteristics according to EN 61984:
10A 400V 6kV 3
10A 400/690V 6kV 2
- cUL (UL for USA and Canada), CCC, GL, GOST certified
- rated voltage according to UL/CSA: 600V
- insulation resistance: ≥ 10 GΩ
- ambient temperature limit: -40 °C ... +125 °C
- are made of self-extinguishing thermoplastic resin UL 94 V0
- mechanical life: ≥ 500 cycles
- contact resistance: ≤ 3 mΩ
- the CQ 12 inserts are already supplied with a seal and a screw, which ensure IP66/IP67 protection rating
- for contact crimping instructions, please see the crimping tool section (10A contacts, CDF and CDM series) on pages 466, 470, 480, 482, 484, 486
- for maximum current load, see the following load curves inserts, for more information see page 494

COB	dual		IP20		-40 °C ÷ +125 °C	410

²⁾ the enclosures ensure IP protection rating when coupled and locked with the locking lever. The cover (CS, CP) only provides mechanical protection without ensuring the protection rating

standards

Identification of enclosures

Connector inserts and their enclosures are numerous and therefore the search for the correct pairing of one with another can be complex.

To facilitate this operation (in addition to the normal part number) the definition of “size” has been introduced in this catalogue.

As indicated in the illustration on the left and in the table below the size value refers to the screw fixing centre distances which constitute a unique element since they are common to both the inserts and the enclosures.

All the pages that illustrate combinable articles (inserts and enclosures) carry references as per the examples illustrated on the opposite page.

Following is a table that shows all the sizes of the enclosures and the dimensions of the housings where the inserts will be fastened.

enclosures size	insert housing with screw fixing centre distance x-y
“21.21”	(21 x 21 mm) **
“32.13”	32 x 13 mm
“49.16”	49.5 x 16 mm
“66.16”	66 x 16 mm
“66.40”	66 x 16 mm (2 inserts)
“44.27”	44 x 27 mm
“57.27”	57 x 27 mm
“77.27”	77.5 x 27 mm
“104.27”	104 x 27 mm
“77.62”	77.5 x 27 mm (2 inserts)
“104.62”	104 x 27 mm (2 inserts)

** dimensions relating to the insert cross-section size not being able to identify a screw fixing centre distance since provided with a single screw.
